Maki Andrade (2024) is a first-year starter in our region and county. In the largest classification in the State of Georgia (Class 7A), and against some of the best teams the state has to offer (McEachern, North Cobb, Marietta, Colquitt, Carrollton...). Maki is a speedy and physical cover-corner that has a good nose for the ball and does a good job in run support. He is a competitive young man that wanted to draw the assignment of going against the best opposing receivers. He has the intangibles that will allow him to be very successful at the next level, which is exemplified by being pound-for-pound 2nd strongest on our team. He finished the season with 62 TKLs and 8 PBU's. He was also a special teams starter. In the 2022-23 season, he was a major contributor on the defense and was a special teams starter that helped fuel our second-round state playoff run. He finished the '23-23 season with 5 TKLs and 2 PBU's.
