Quinton Charles (2024) was a two-year starter at cornerback and our #2 wide receiver his senior year. Harrison High School competes in the largest classification in the State of Georgia (Class 7A). Quinton was a two-way player for the entire season and in some games played over 100 reps combined on offense, defense, and special teams. Offensively, Quinton had 23 receptions for 263 yds (11.3 avg) and 1 touchdown this season. Quinton was a good complement to our 3-year starting wide receiver who was main focus of our passing attack this year. Defensively, he finished the season with 41 TKLs, 3 PBU's, 1 Sack, and 1 TFL. Quinton has good size and good speed. He has a considerable ceiling for improvement and will increase his skills once he can focus on one specific position. Quinton Charles has a bench of max of 235, squat max of 360 and clean max of 215.
